

# JM-3000 Gas Jet

**Solid performance in the toughest conditions.**

Built to take heavy use and abuse, the powerful JM-3000 is great for clearing large lines and long runs. A heavy duty 3000 psi, 4 gpm triplex pump with Vibra-pulse® on demand is driven by a reliable 389 cc Honda engine with electric start through a 2 to 1 gear reducer to extend the life of the pump.

The JM-3000 is well balanced for easy handling. With little effort, you can tip the machine back on its rear wheels to more easily maneuver it into position.

A removable 300 ft. capacity hose reel with drag brake, reel lock, and swivel is mounted on the heavy duty frame with four 13" flat-free foam core tires. A wheel brake keeps the machine solidly positioned on the job.

Standard safety features include a thermal relief valve to protect the pump from heat damage, along with a back flow check valve and inlet filter. Complete with tool box and spray wand with trigger.

## JM-3000 Specifications:

### Pump:

Triplex w/Vibra-pulse®

### Pressure:

3000 psi

### Flow:

4 gpm

### Engine:

389 cc w/Low oil shut off, electric start, and gear reducer

### Hose Reel:

Removable, swivel, drag brake, and reel lock, 300 ft. x 3/8" hose capacity

### Weight:

291 lbs. (132 kg)

### Dimensions:

43" L x 29" W x 49" H  
(109 cm x 74 cm x 124 cm)
